

Company Profile: IT, OT, IOT System Integrator

June 2019

CINOVASI

PT. Cinovasi Rekaprima

Jln. Sultan Iskandar Muda 31 J, Jakarta 12240, Indonesia | cinovasi.com | services@cinovasi.com

With our expertise, knowledge & experience in ...

Engineering

Information Technology & IOT

Business, Process, & Asset Knowledges

Project Management & Industry Best Practices

We partner with client & technology alliances to ...

Design System

Select & Use Best Technologies

Implement System

Maintain System

We deliver best quality output of ...

Integrated Systems

automate & optimize:
assets and processes,
from plant-floor to enterprise level

Such an output yields measurable outcomes ...

Increase PRODUCTION

Improve & Maintain SAFETY

Optimize ASSETS Lifetime

Reduce COST

Use Less ENERGY

Lower ENVIRONMENTAL Impact

Which will bring impacts for the client's business ...

Increased Profit

Safety, Governance & Compliance

Continuous Improvement

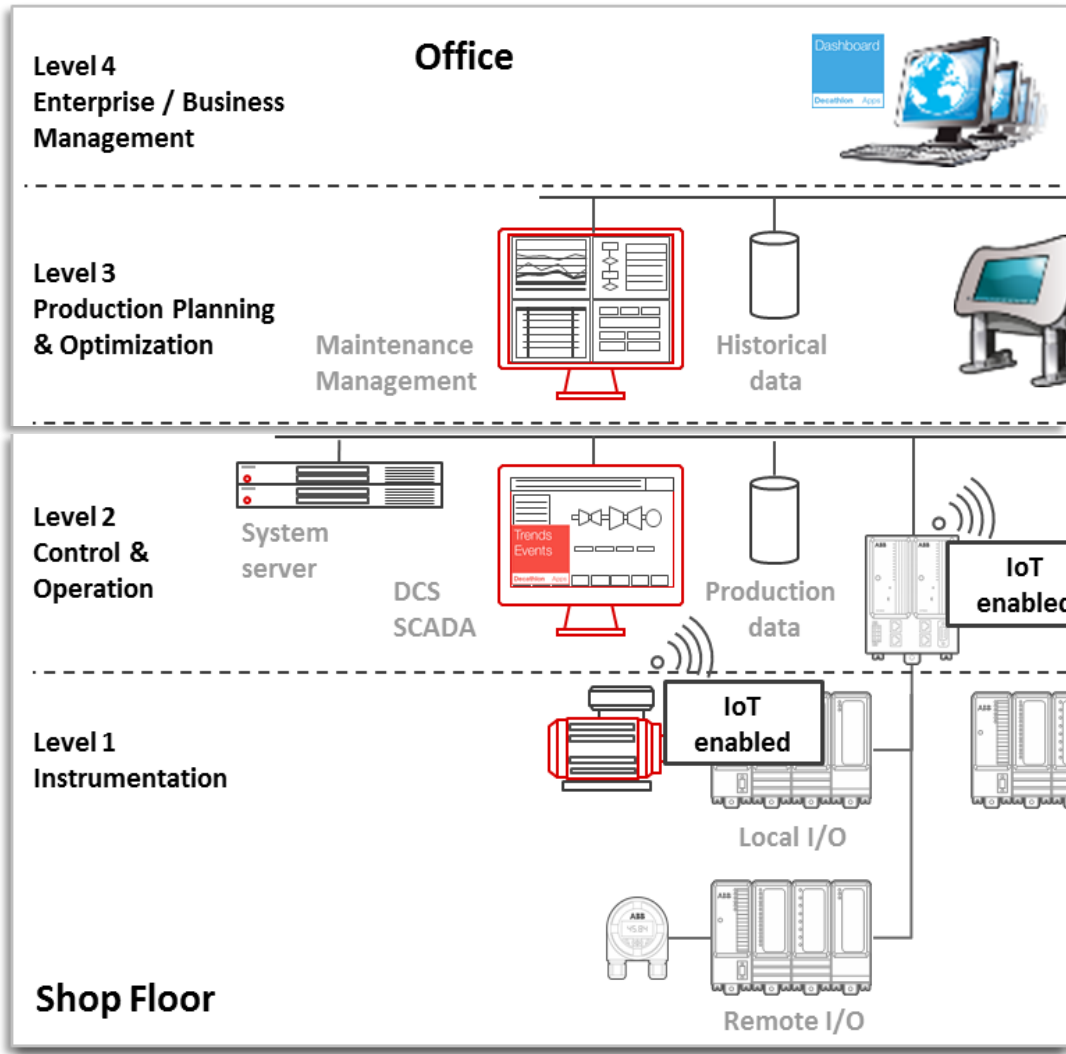

Intelligent Systems & Operations

Innovation Capability

PT. Cinovasi Rekaprima (CINOVASI) is a System Integrator Company: providing leading edge Information Technology (IT), Operational Technology (OT), and Internet of Things (IOT); for client's successful Digital Transformation.

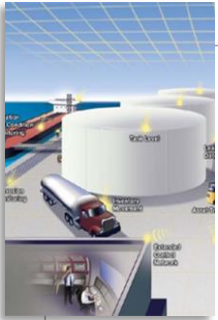

Established in 7 July 2007. To date, CINOVASI has: 90 consultants, engineers, developers & professional staffs; 4 locations (Jakarta, Bandung, Gede Bage, Surabaya); 16 global technology alliances; over than 600 projects from 70 clients.

CINOVASI

Terminal Automation System (“SigmaTAS”)

Terminal Automation System Software for Fuel Distribution Depots Business Automation.

CINOVASI

Versatile Internet of Bee (“VioBee”)

Smart Hardware, Wireless Sensor and Transmitter + Radio Communication (WiFi, RF, LoRa, Internet, GSM / NB-IOT).

CINOVASI

WaggleSys IOT Platform (“WaggleSys”)

Software for On-Premise and On-Cloud Platform for Systems / Devices. IOT

CINOVASI

Nova Mixed Reality (“NAMI”)

Augmented Reality (AR) Solution for Object-based and Space-based Digitalization Solution.

CINOVASI

Situational Awareness Responsive Artificial Intelligence System (“SARAS”)

Machine Learning / Artificial Intelligence System for Industrial Purposes (e.g. Crowd Counting, Object Detection / Identification, etc).

CINOVASI

Industrial Software Suite (“Mobius”)

Manufacturing Execution System (MES), Computerized Maintenance Management System (CMMS), Tank Management System, Cleaning in Progress (CIP) Software, Kanban Dashboard, e-Governance (Platform for ISO-based Management System), etc complete industrial suite.

Agroindustry & Plantation

Manufacturing

Mining, Oil & Gas

Process & Heavy Industry

Power & Renewable Energy

Logistics, Media & ICT

Financial Services

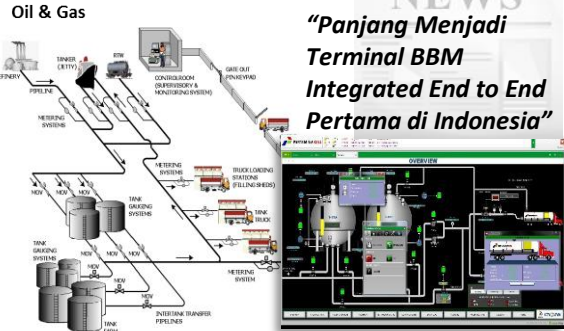

Regulator & Government

State-Owned Enterprise Fuel & LPG Distribution (10 Terminals)

EPC & Upgrade for Complete Terminal Automation System, integrated with ERP (SAP)

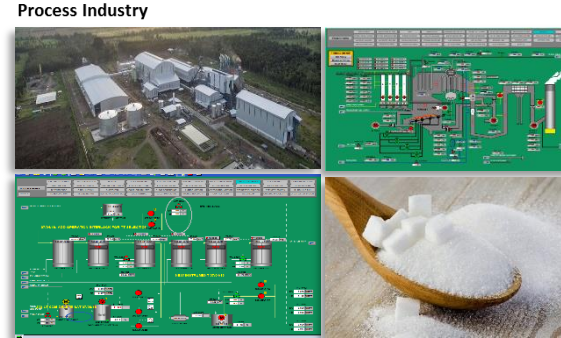

State-Owned Enterprise Fuel & LPG Distribution (2 Terminals)

Long-Term Maint. Contract for Automation Systems, Equipments, Material Supplies

State-Owned & Foreign Investment Sugar Factory (2 Plants)

EPC & Upgrade for Whole-Factory & Power House Control Systems (DCS)

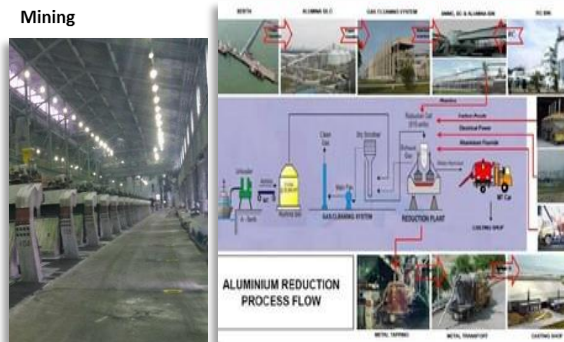

Leading Regional CPO Company Refineries (7 Sites)

SCADA, Control Systems, Instrumentation & Automation Implementation / Upgrade

State-Owned Enterprise Mining & Smelter Plant

Process Control System Reengineering & Systems Upgrade

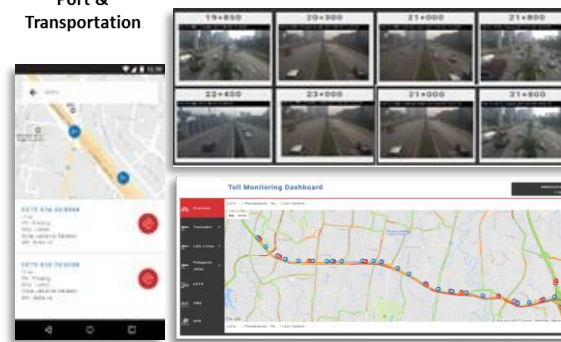

State-Owned Enterprise Sea Port Operator (19 Sites)

Container Terminal Simulation, Front-End Applications, Billing & Analytics / Dashboard

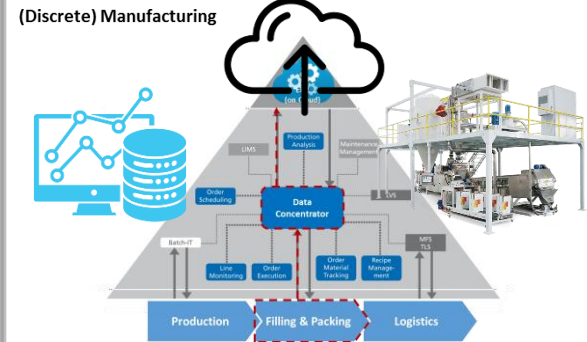

State-Owned Enterprise Toll Road Operators (14 Sites)

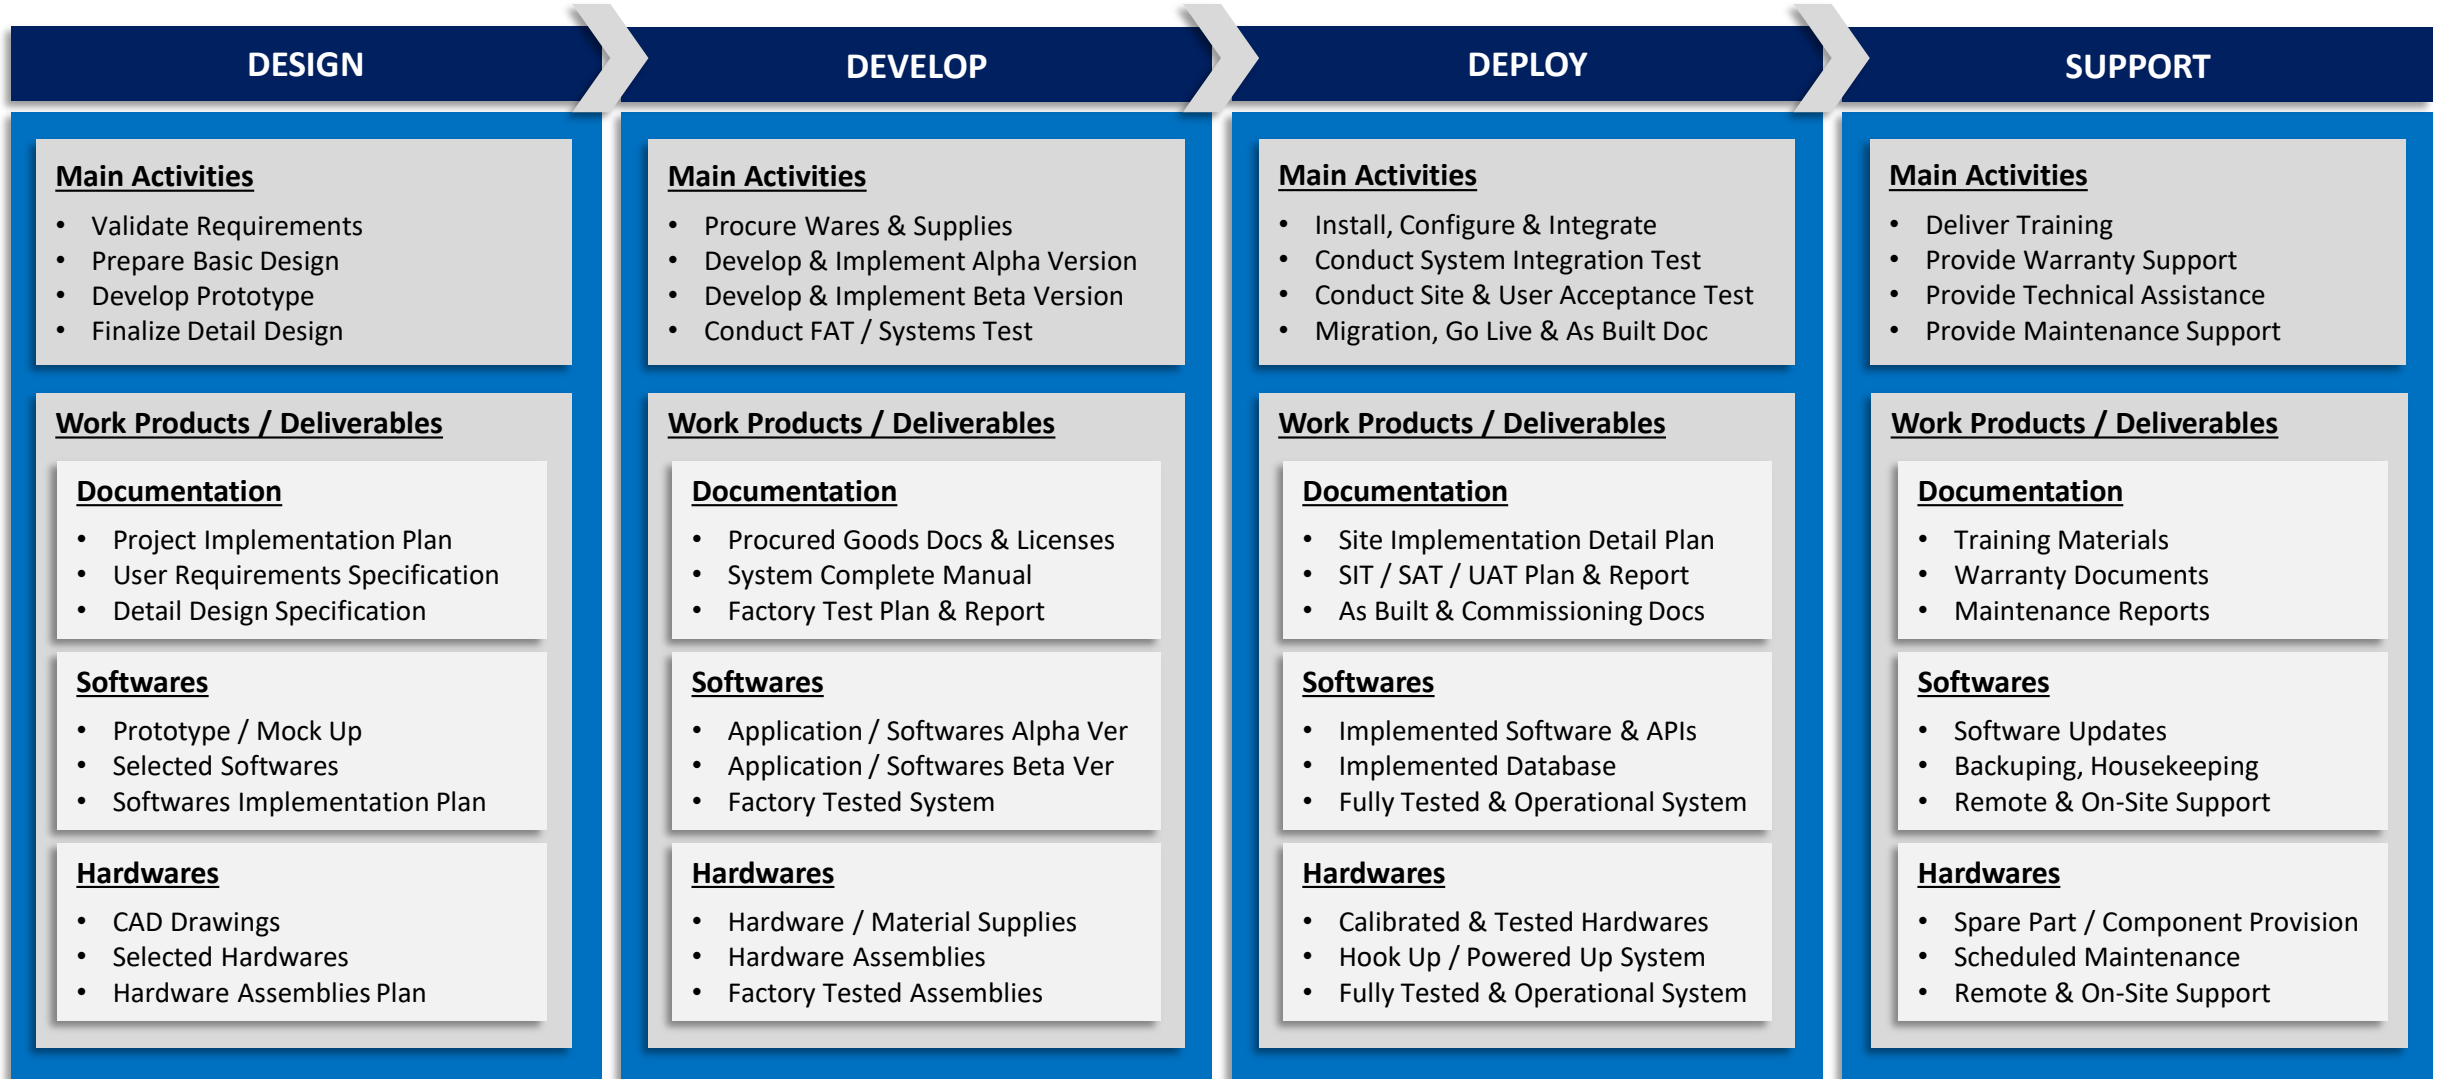

Integrated Operation Dashboard & Computerized Maint. Management Systems

Multinational Company Manufacturing (7 Factories)

IOT Systems for OEE Data Collection for Operation & Assets Optimization

CINOVASI Our Office & Organization Structure

Jakarta Office

Jln. Sultan Iskandar Muda No. 31 J
 Jakarta Selatan 12240, Indonesia
 Ph +62 21 72895777 | Fax +62 21 72895111

- Business Development, Marketing & Sales
- Call Center
- Solution Development & Project Teams

Bandung Office

Jln. Sidomukti No. 68
 Bandung 40135, Jawa Barat, Indonesia
 Ph +62 22 2506276 | Fax +62 22 2518232

- Factory Acceptance Test Facility
- Head Office & Back Office Operations
- Solution Development & Project Teams

Workshop

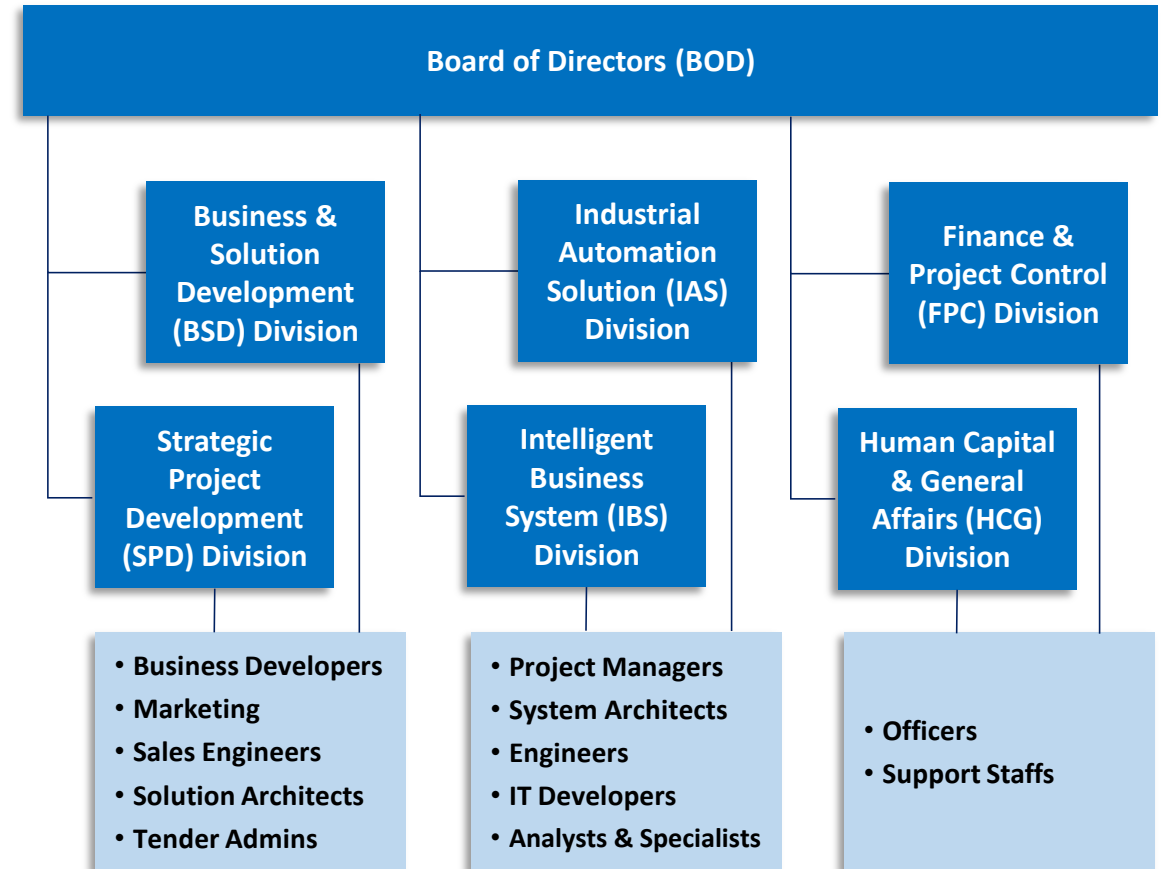

Kawasan Industri De Prima Tera Blok C1B No. 1
 Jl. Raya Sapan, Gede Bage, Bandung 40288
 Ph / fax : +62-22-2518232

- Designated Projects Warehouse
- Equipments Engineering Workshop
- Panel Assembly Workshop

Surabaya Office

Jln. Pucang Sewu No. 43
 Surabaya 60283, Indonesia
 Ph / fax +62 31 5018271

- Business Development, Marketing & Sales
- Project Office
- Representative Office

Thank You

Let's create, innovate, synergize, with us.
